This publication contains an alphabetical listing of the records in the second of two will indexes found in the Greene County, Pennsylvania Recorder's Office as of December, 2002. That index covers the wills and estates recorded from 1962 to the present time, and this transcription includes most, if not all of the wills recorded through December of 2002. The records listed here were transcribed from digital images of the index taken in 2002, and all the information contained in the index has been included.
